February 2012

Due to generous community support, last year's Warrior Golf Scramble fundraiser was a HUGE success. For the second year in a row we raised just over \$10,000 ... critical funds used to help kids participate in athletic programs in the Philomath School District. With your support we hope to have another great year.

This year's golf tournament will be held on May 12, 2012. Proceeds will be used to support the fifteen sports programs, to provide scholarships to students who are unable to afford the pay-to-participate fee at both the high school and middle school, and to subsidize post-season travel and lodging expenses. Also, we are in the process of establishing a Booster Club college scholarship program and funds raised will help fund that new program.

The Philomath Booster Club holds a 501 (c) (3) IRS tax status and your donation is deductible to the extent allowed by tax law. We hope you will keep our fundraiser in mind. There are various levels of sponsorship available (details appear below) -- every donation helps!

We would like to count on you for the 2012 golf tournament. Thank you for your support of the Philomath School District's programs and our student athletes.

Respectfully,

**GO WARRIORS!**
